f. The attached articles from Studies in Intelligence entitled "A Fresh Look at Collection Requirements" and "Priority National Intelligence Objectives"

3. It is suggested that the discussion at the first committee meeting consist of a preliminary exploration of each member's views regarding the basic concept, purpose and form of the PNIOs, particularly as to changes that should be considered. Following such discussion, the committee could then determine the procedures for further study and the preparation of a draft report to the USIB. In this connection, it is suggested that each committee member bring at least one staff assistant to support him in carrying out the work of the committee.

<p><b>Remarks:</b> The attached memorandum, prepared for your signature, is the same as the draft we discussed except for a revision of paragraph 4.</p> <p>In our discussion, it was agreed that Fitness Reports will not be required on [redacted] as Chairman, SIGINT Committee (which you indicated was General Carter's view also) or of course on Gen. Carter as Chairman, Watch Committee. Therefore, the only remaining Fitness Report needed is on [redacted] as full-time Chairman, COMOR.</p> <p>Accordingly, I have revised paragraph 4 to ask Pete Scoville to prepare [redacted] draft report. I tried to check this with Pete but he is away for a week. So I recommend you sign the attached and I will discuss it with Pete when he returns.</p>
